

Loving Hands Program is taking every precaution to ensure the health and safety of our children and staff.

Our Covid-19 safety mandates include but are not limited to:

- Daily temperature screenings
- Handwashing before and after each activity
- Enhanced sanitation practices including frequent disinfecting of high touch surfaces throughout the day
- Professional cleaning service which uses an electrostatic sprayer, and other state of the art Covid 19 sanitization measures
- Fully vaccinated staff
- Face masks required for staff
- Increased outside time including outdoor learning (weather permitted)
